#### Election / Restriction Requirement

The Examiner is provisionally respectfully requested to review the substance of Claims 1 through 5 and 9 through 11 and to indicate the allowability of the claims.

Claims 1 through 5 and 9 through 11 that are drawn to a liquid crystal display device, while remaining claims 6 through 8, and 12 through 21, are withdrawn from further prosecution without prejudice and traverse. However, it is understood that if a generic claim is found allowable, the non-elected species claims will be drawn back into the case, and allowed with the other allowed claims in the case. Applicants hereby reserve the right to file a divisional application on the non-elected claims.

Substantive consideration of the elected claims is respectfully solicited. Should there be any outstanding issues requiring discussion that would further the prosecution and allowance of the above-captioned application, the Examiner is invited to contact the Applicants' undersigned representative at the address and phone number indicated below.

Respectfully submitted,
